

Pre/Post Auction Offer

If you wish to make an offer on a property before the auction or for an unsold lot we must have the following details in order to advise our client.

All offers will be subject to contract

An offer in this format is taken on the basis that you will be entering into a legally binding contract should it be accepted. Only unconditional offers will be considered and if accepted you will be expected to attend our offices in order to:

1. Sign and exchange the auction contract
2. Pay the 10% deposit
3. Pay the £900 auction administration fee
4. Agree to complete the transaction within the time specified in the contract
5. Provide proof of identity as specified in the auction catalogue

An offer should not be made unless you have inspected the property (where possible) and viewed the online legal pack if available at the time. You may also wish to take independent advice from your solicitor/conveyancer and be aware that the legal pack may include additional costs.
